We're raising £150,000 to help support local babies, children and young people with life-limiting conditions and their families.

Shooting Star Children's Hospices
We care for babies, children and young people to help make every moment count.

Story
Shooting Star Children's Hospices is a leading children's hospice charity caring for babies, children and young people with life-limiting conditions, and their families. Whether lives are measured in days, weeks, months or years, we are here to make every moment count. We support families from diagnosis to end of life and throughout bereavement with a range of nursing, practical, emotional and medical care.
