

# Treasure Quest

**A treasure hunt without leaving the office!**

**How much 'treasure' will you find in just two hours?**

## What is the Treasure Quest?

Take on the challenge and help us secure sponsors, raffle and auction prizes, and even donations for Shooting Star Children's Hospices.

## How it works:

### When?

Choose a day and time for your Treasure Quest and allow no more than two hours to complete it.

### Plan your quest

What 'treasure' will you be searching for?

- **Donations:** set-up a JustGiving page for your event to collect donations instantly.
- **Raffle/Auction Prizes:** use your network to source items suitable for use as raffle/ auction prizes e.g. tickets, holidays, money can't buy items.
- **Stock/Merchandise:** we're always looking for new/nearly new products to sell in our 13 charity shops to raise vital funds.

We'll provide you with everything you need to spread the word about Shooting Star Children's Hospices. You can encourage companies to support Shooting Star Children's Hospices and make more people aware of our charity.
